287.200. 4. For all claims filed on or after the effective date of this section for occupational diseases due to toxic exposure which result in a permanent total disability or death, benefits in this chapter shall be provided as follows:

(1) Notwithstanding any provision of law to the contrary, such amount as due to the employee during said employee's life as provided for under this chapter for an award of permanent total disability and death, except such amount shall only be paid when benefits under subdivision (2) and (3) of this subsection have been exhausted;

(2) For occupational diseases due to toxic exposure, but not including mesothelioma, an amount equal to two hundred percent of the state's average weekly wage as of the date of diagnosis for one hundred weeks paid by the employer; and

(a) For employers that have elected to accept Mesothelioma liability under this subsection, an additional amount of three hundred percent of the state's average weekly wage for two hundred twelve weeks shall be paid by the employer or group of employers such employer is a member of. Employers that elect to accept Mesothelioma liability under this subsection may do so by either insuring their liability, by qualifying as a self-insurer, or by becoming a member of a group insurance pool. A group of employers may enter into an agreement to pool their liabilities under this subsection. If such group is joined, individual members shall not be required to qualify as individual self-insurers. Such group shall comply with section 287.223. In order for an employer to make such an election, the employer shall provide the department with notice of such an election in a manner established by the department. The provisions of this paragraph shall expire on December 31, 2038; or

(b) For employers who reject mesothelioma under this subsection, then the exclusive remedy provisions under section 287.120 shall not apply to such liability. The provisions of this paragraph shall expire on December 31, 2038; and

(4) The provisions of subdivision (2) and paragraph (a) of subdivision (3) of this subsection shall not be subject to suspension of benefits as provided in subsection 3 of this section; and

(5) Notwithstanding any other provision of this chapter to the contrary, should the employee die before the additional benefits provided for in subdivision (2) and paragraph (a) of subdivision (3) of this subsection are paid, the additional benefits are payable to the employee's spouse or children, natural or adopted, legitimate or illegitimate, in addition to benefits provided under section 287.240. If there is no surviving spouse or children and the employee has received less than the additional benefits provided for in subdivision (2) and paragraph (a) of subdivision (3) of this subsection the remainder of such additional benefits shall be paid as a single payment to the estate of the employee;

(6) The provisions of subdivision (1) of this subsection shall not be construed to affect the employee's ability to obtain medical treatment at the employer's expense or any other benefits otherwise available under this chapter.

5. Any employee who obtains benefits under subdivision (2) of subsection 4 of this section for acquiring asbestosis who later obtains an award for mesothelioma, shall not receive more benefits than such employee would receive having only obtained benefits for mesothelioma under this section.
